If yes, which ministries and for how long?

Essay Questions

Please complete the below essay questions with approximately 200 words but feel free to use as many as you need to complete the essay.

1. Before your trip: What are you currently doing to support the social mission of the Catholic Church (e.g. volunteering at a soup kitchen)? Why is the social mission an important component of the Catholic Church?

2. During your trip: What aspect of the Chimbote foundation are you most interested in learning about and why? How will a trip to Chimbote help you in this endeavor and what other elements of the trip are you looking forward to?

3. After your trip: One goal of the *Mike Clark WTAE Chimbote Travel Scholarship* is to empower mission partners to share the story of the Chimbote Foundation's Mission. Upon return, how will you share the Foundation's story as well as your own to raise awareness for the mission? Do you envision any skills you have to share to help Chimbote Foundation? Please share your action for the above plan using concrete details.

I acknowledge and will adhere to the following policies listed on this waiver:

- No one will be considered or accepted as a team member until a completed application is received. The Chimbote Foundation reserves the right to deny acceptance to any person for any reason.
- By submitting this application to be a part of a summer mission trip to Chimbote, you acknowledge that you are personally responsible to pay for, or arrange funding for any portion of the trip costs that exceed the scholarship award of \$1,500.
- A member of Diocesan Mission Office will provide information regarding passports and vaccination recommendations for the Department of Health, however it is your personal responsibility to obtain all documentation and medical services needed for the trip. Passport and vaccination costs are the responsibility of each mission partner.
- Upon request, you agree to obtain a letter from a physician or other licensed professional who
 is providing care to you stating that you do not have a medical condition or are on medications that
 would put you at an increased risk and that you will be able to participate without any
 special assistance.
- Short-term mission trips can be rewarding and life changing; however, they can also be stressful.
 Please consider factors in your personal life at this time that may distract and prohibit you from fully committing to the mission of the trip and adapting to unusual conditions.
- Once accepted, mission partners are expected to attend (in person or via technology) all team meetings.
- Once accepted, mission partners are expected to complete all necessary clearances to be approved for the mission experience.
- If you are unable to participate in your trip, the Diocesan Mission Office must receive cancellation notice as soon as possible. You will be responsible for all trip costs incurred up to that date.
- Team members assume responsibility for their personal belongings on the trip. The Diocesan Mission Office will not reimburse team members for personal item that or lost, stolen or confiscated during the trip.
